Sarah Hill

AIMS AND SCOPE

The *European Respiratory Review*, an official journal of the European Respiratory Society (ERS) publishes, in the English language, "State of the art" reviews on current topical issues in respiratory medicine, science and surgery. All material will be subject to peer review. Correspondence to the Editor regarding published material is encouraged. The *European Respiratory Review* comprises submitted articles and sponsored material; this information is clearly indicated in the provenance section of the article.

ACCESS

The *European Respiratory Review* is published by the ERS in one annual volume (volume 21 in 2012).

The *European Respiratory Review* is an open access journal. Online content can be accessed free at: err.ersjournals.com

A print subscription is no longer available, but ERS Gold members receive the printed version of the *European Respiratory Review*.

All permission requests should be sent to: permissions@ersj.org.uk
Reprint and translation enquires should be sent to: admin@ersj.org.uk
